Welcome to Family Christian Center! We are glad you joined us today and look forward to getting to know your family. We want to share a few details about our Children's Ministry so you know where your children go and what they do in class!

## ❖ *Mission:*

Our mission is to help train and equip any child who comes to Family Christian Center with the truths of God's Word by being a support to the training the children receive at home.

## ❖ *Check-In:*

- The check-in table is located in the foyer and is open at 9:45 AM on Sundays. No child check on Wednesday nights.
- The parent/guardian will receive a label for each child and one for the parent/guardian with a matching family code.
- Place the label on your child's back and be prepared to show the parent label to the ministry worker when dropping off and picking up your children.
- If you lose your label, you need to show your ID to pick up your child from class.
- If your child needs you during service, one of the children's ministry workers will come to you.

## ❖ *Ministry Workers*

Because the children's safety is important to us, all ministry workers go through a process that involves a background check, attendance at FCC for 6+ months, and an interview.

## ❖ *Age/Grade Breakdown*

Signs are posted outside of each classroom door.
